Pump/Motor Mount Service Window Covers

The **Standard Service Window Cover** is OSHA Orange in color. We have recently had some requests for this cover in Yellow instead of Orange.

CORRECTIVE ACTION: Service Window Covers are now available in Yellow as an optional color. To receive the Yellow covers, simply order the Cover by part number listed on page 10 of our Price List and follow the part number with a “-Y” to signify Yellow. See the Price List for pricing information and more details.
